Web Forum Agenda

- Discuss how data and mapping can be leveraged to advance policy initiatives.
- Learn about *Community Commons* and its application for supporting community prevention and public health.
- Demonstration of Community Commons elements including mapping tools and data layers.
- Hear examples from communities on how they're using the Commons and engaging with decision makers.
- Audience Q&A and panel discussion.
- Looking to the Future: What's Next?

Sue Polis

Program Director
Trust for America's Health

Sue Pechilio Polis is responsible for the development and management of TFAH's advocacy outreach program in support of the organization's public policy efforts. Prior to joining TFAH, Ms. Polis worked at AARP on health and financial security-related advocacy, outreach, campaign planning and implementation efforts most recently on the Initiative on the Future of Nursing: Campaign for Action in coordination with the Robert Wood Johnson Foundation. Prior to joining AARP, Ms. Polis was the first National Director of Grassroots Advocacy for the American Heart Association.
